Cl.01. Chemicals, additives, binding agents, coolants, chemical fluids, detergents and cleaning solvents for use in industry; carbide and ceramic compositions (granules and powders); carbide powder; soldering fluxes; fire extinguishing and fire suppression compositions; tempering preparations; engineered ceramic and composite materials for heat transfer or thermal management applications; chemical coatings and organic compositions for use in manufacturing processes and in scientific and industrial research; artificial resins, unprocessed; metal hardening preparations; wetting agents for preventing the adhesion of clay; bentonite; viscose chemicals; chemical additives for drilling fluids; galvanizing compounds; chemicals for the manufacture of preparations for preventing corrosion; liquid coatings (chemical); hydraulic fluids; chemical releasing agents; putties, fillers and pastes for use in industry.

Cl.04. Lubricants, fluids, industrial oils and greases; non-chemical additives for fuels, lubricants and greases; dust absorbing compositions; dust binding compositions; dust controlling and removing compositions.

Cl.06. Common metals, unwrought or semi-wrought; alloys of common metal; common metals in powder form [semi-wrought], brazing alloys; ironmongery; metal hardware; building and construction materials and elements of metal; reinforcement materials and elements of metal; anchoring materials and elements of metal; tensioning materials and elements of metal; goods of metal, namely rods, tie rods, poles, girders, bars, tendons, nuts, bolts, rock bolts, pins [hardware], fasteners, screws, set screws, sleeves and shims; goods of metal, namely, hoses, cables, ropes, strands, wires, fibers, piles, pillars, steel ribs, wedge anchors for bolts and cables, anchor heads, anchor supports, reinforcement sheets and forepoling sheets; expansion bolts; goods of metal, namely clips, retainer clips, metal clips for cables and pipes, valves (other than parts of machines), non-return valves of metal (other than parts of machines), thrust blocks, anchoring blocks, spacers, pipe spacers, cotters, lids, flanges, washers, rings (other than jewelry), spring rings of metal, nails, nail heads, expansion joints of metal, dowels, shell plugs for resin installation, cable ties of metal and cable bolts, straps and hooks of metal; goods of metal, namely cable clips, metal hexagon head bolts, metal cylinders for resins, sold empty, metal cylinders for cement, sold empty, wire mesh, meshes of common metal, formed meshes of common metal, wall panels of metal, fire resistant panels of metal for building, building structures, mats, ventilating ducts of metal, cable channels (non-electric) and hose hangers of metal; goods of metal, namely building and construction brackets, ladders, metal pipe supports, adjustable gutter supports of metal, beams, arches, metal water tanks, metal pipe joints, posts, metal plugs for drill holes, cable clamps of metal, roof trusses, ceiling trusses and stay bolts of metal; connectors and couplings of metal for rods, poles, bars, bolts, screws, threaded bars, reinforcing bars, pipes, tubes, hoses, cables, ropes, strands, wires, walls and tunnel segments; portable buildings of metal; sliding mouldings and climbing structures and reinforcing materials of metal; fasteners of metal for use with drills, drilling rigs, and machines and machine parts.

Cl.07. Anti-friction bearings for machines; anti-friction pads for machines; machines and machine tools for the cutting and forming of materials; conveyers; conveyer belts; power-operated tools; power-operated machine tools of metal, namely, power wire-drawing tools, power-operated pressing tools, power-operated grinding tools, power-operated threading tools, power-operated sharpening tools, power-operated chiseling tools, power-operated shearing tools, power-operated punching tools, power-operated piercing tools, power-operated broaching tools, power-operated reaming tools, power-operated drilling tools, power-operated milling tools, power-operated cutting tools and turning tools; inserts for power-operated chiseling tools, shearing tools, punching tools, piercing tools, broaching tools, reaming tools, cutting and turning tools; machine tool holders; machines parts, namely, blades and blade holders, wear plates and strips, bearings, as parts of machines; rock bolting rigs; cargo handling machines; cranes; casting machines; double belt presses; machine parts, namely, mandrels; mechanical diggers; mechanical disintegrators; earth moving machines, namely, excavators, loaders, scrapers; loading and unloading machines; mechanical and hydraulic lift hoists; forging machines; foundation work machines; granulating machines for chemical processes; hauling apparatus, used in the mining industry; lathes; lathe tools; earthmoving, construction, oil and gas extraction and mining equipment; mine working machines; fuel pumps for land vehicles; pneumatic transporters; pneumatic controls for machines, motors and engines; hydraulic and pneumatic hammers; pulleys being parts of machines; rolls for rolling mills; rolling mills; sifting machines; power-operated sprayers; sieves being machines; sieves being machine parts; gravel and dirt sorting and screening machines; mechanical spreaders; mechanical separators; motors and engines except for land vehicles; machine couplings and transmission components except for land vehicles; automatic vending machines; automated dispensing machines for tools and metal cutting tools; grinding machines for metal cutting; power-operated grinding wheels; grinding tools for grinding machines; earth moving machines, namely graders, grading tools; carbide tip tools; truck boards, drilling pipes, hammer lifting bails, foot valve rods, drill tubes, shank adapters, drill bits, hand held rock drilling tools, integral drill steels, tapered and threaded rods, guide and drill tubes, drilling and bolting tools being machine tools; shank adaptors; raise boring tools; reaming heads; cutting tools for continuous mining machines; drills [power tools] for installation of strata support products; casing accessories and completion tools being parts of machines; reamers and reaming apparatus; drills, drill rigs and drilling equipment and apparatus; hydraulic rock drills; mining and tunneling jumbos; screw boosters (machine parts or machine tools); raise boring machines and reaming heads; bolters;

excavators; hydraulic rotation heads; cone splitters (machine parts or machine tools); blast hole splitters (machine parts or machine tools); bolter miners; borer miners; road headers; drilling rods for machines; extension rods for machines; spanners for installing rock bolts and drill chuck extension spanners; pullers and extractors, pliers (machines); mineral ground tools; blocks and sleeves splitters (machine parts or machine tools); crushers and crushing apparatus; crushing chambers (machine parts); mantels and jaw plates; parts for crushers [machines]; screens [parts of machines]; scalping machines for mining and rock processing; breakers for mining and rock processing (machines); chisel and compacting tools; filters and filtration cartridges for mining and rock processing machines and equipment; hydraulic cylinders, blocks and valves; hydraulic pumps; drive shafts; radiators for mining and rock processing machines; oil coolers; axles for mining and rock processing machines; air compressors; hydraulic oil filtering units (machine parts or machine tools); exhaust systems; pressure accumulators [parts of machines]; liners for crushing and screening equipment for mining and rock processing; wear plates; impact bars [parts of machines]; parts and fittings for earth moving machines, namely ground engaging tools, buckets, shrouds, lips, adaptors and teeth; power-operated automation equipment namely, machines and industrial robots to move, assemble, test, inspect, fasten, transfer, dispense, sort, store, retrieve, align, position, and load and unload, for use in industrial applications namely, metrology, large-scale deployment, laser technology, fuel cell manufacturing, micro electromechanical systems, medical device manufacturing, semiconductors, solar manufacturing, and wire processing systems; down the hole hammers; horizontal directional hammers [machines or parts of machines]; cutters [parts of machines]; rock drills; impact drills [parts of machines]; percussion drills; pumps; rock stabilization and sole stabilization tools and equipment for mining; tunneling tools and equipment for mining; chains for drilling modules; suction heads for drilling modules; tracks for machines; parts and components for tracks for machines; feed chains for machines; machine belts; starters for engines; alternators; turbochargers; bushings [parts of machines]; power transmission couplings for machines; parts, fittings and components for the aforesaid.

Cl.09. Registered computer programs, registered operating programs, registered computer software, computers, peripheral equipment, simulators for steering and control of vehicles and crafts; remote control apparatus; electric installations for the remote control of industrial operations; electric installations for the remote control of cycling motions; telerupters; apparatus and instruments for conducting, transforming, storing, regulating or controlling the distribution of electric current; controlling devices and apparatus, regulating apparatus; measuring, detecting and monitoring instruments and apparatus, indicators and controllers; electronic control units and systems; electric installations for the remote control of industrial operations; electronic apparatus for the remote control of industrial operations; simulation apparatus and instruments; simulators; chargers; electrical cables; electric resistors; integrated circuits; semi-conductors; capacitors; electric resistances; fuel cells; apparatus for recording, transmission and reproduction of sound or images; blank magnetic data carriers, blank recording discs; communication equipment, namely, digital media, namely, CDs and DVDs; mobile apps; data processing apparatus, computers; computer operating systems; computer peripheral equipment; software for the calculation of data for machine tools and mine automation systems; measuring instruments and apparatus, namely, pressure measuring apparatus, temperature measuring apparatus, resistance measuring instruments; software for storage and calculation of temperature, strain and vibration information; temperature sensors, strain sensors, pressure sensors, vibration sensors and acceleration sensors; computer software, sensors, computer programs, and apparatus and instruments for measuring and controlling temperature and for controlling working capacity of tube systems; measuring instruments, sensors, software or computer systems incorporated in tubes and pipes of metal; computer software and computer programs; software applications; computer software packages; computer software platforms; computer hardware; downloadable electronic publications in the nature of handbooks, manuals, instructional and teaching material in the field of metal-cutting tools and tooling systems, mining equipment and tools, construction equipment and tools, stainless steels, special alloys and titanium, furnace products and heating systems, hard and super-hard materials; protective and safety equipment, namely, fire-extinguishing systems and sprinkler systems for fire protection; thermocouples; global positioning system (GPS) consisting of computers, computer software, transmitters, receivers, and network interface devices; computer programs for use in production planning of the manufacture of

industrial products; sensors; downloadable computer-assisted design (CAD) and computer-aided manufacturing (CAM) software for general use; downloadable computer software, namely, computer software for use with controlling cutting machines; downloadable computer software for use in planning, tracking and controlling manufacturing facility operations; downloadable computer software for controlling cutting machines; downloadable computer software for nesting and programming CNC cutting machines; computer programs recorded on magnetic media for use in providing engineering design and engineering drafting services; computer programs for use in machine tool industry; computer hardware and related computer software for controlling power-operated automation equipment; Monitoring instruments for use in geometrical inspection of industrial components, medical devices, and aerospace applications; computer hardware and related downloadable computer software for controlling instruments for use in geometrical inspection of industrial components, medical devices, and aerospace applications; downloadable and recorded computer software for the measurement, inspection, analysis and recording of three-dimensional shapes; electronic control systems for machines used in the measurement, inspection, analysis and recording of three-dimensional shape; calculating devices, computers and computer peripheral devices; joysticks for use with computers, other than for video games; Instruments for the measurement of object thickness and instruments for the measurement, analysis and recording of three-dimensional shapes; measuring apparatus and instruments, namely, robots and automated measuring machines for measuring and inspecting objects; electronic measuring equipment, inspection machinery and equipment, weighing machinery, measuring instruments, other measurement machinery and equipment, all for use with measuring apparatus and instruments; computer hardware, software, and sensors for use in connection with the design of drill bits, modeling, simulation, testing and analysis of drill bit and rock drilling tool performance, recordation and reporting of data and drilling variables, and selection and performance of drill bits, rock drilling tools and equipment; data gateways; batteries; electrochemical cells and batteries; battery testers; computer hardware, software, sensors and electronic tags for early hazard detection, proximity detection and collision avoidance, worker safety, and evacuation and rescue in mining operations; computer hardware, software, sensors and electronic tags for monitoring of production, drilling, hauling, and overall equipment effectiveness and utilization and haulage efficiency in mining operations; open architecture automated software platform application systems comprised of a network central server, a network management software, gateway for network router modules, wireless nodes, namely, network router vehicle modem, vehicle transceiver and interface circuits and network router modules for vehicles; interface circuits and network routers for use in cap lamps for miners; sensor network module, namely, network routers that relay information from sensors placed in the mine to the network central server; computer hardware and software and sensors, all for 3D scanning, monitoring, and reporting and optimizing rock material flow and use of equipment fleet in mines and other rock excavation sites; computer software for use in relation to products for use within the materials technology, mining, construction and rock technology and metal working industries; parts, fittings and components for the aforesaid; downloadable computer software for blockchain technology; downloadable computer software for payment and exchange transactions involving cryptocurrencies; downloadable multimedia file containing artwork, text, audio, and video relating to industrial goods and human interest topics authenticated by non-fungible tokens (NFTs); downloadable virtual goods, namely, downloadable image and content files featuring professional tools and machines for industrial purposes, metalworking machine tools and inserts, metalworking machines, inventory management machines, industrial robots, electronic controls, calculating devices, computers, measurement machinery and publications for use in virtual worlds; downloadable virtual goods, namely downloadable image and content files featuring drill rigs, underground drill rigs, bolters, electric battery vehicles, underground loaders, underground trucks, mechanical cutting equipment, rock tools, rock drills, mining automation products, mining tools and equipment, tunneling tools and equipment for use in online virtual worlds; downloadable virtual goods, namely, downloadable image and content files featuring parts and accessories for mining machines and tools, parts and accessories for construction machines and tools, crushers, screeners, breakers, demolition tools, breaker booms, buckets, attachments for crushers, attachments for screeners and compactor plates and artwork for use in online virtual worlds.

Cl.11. Filters for air conditioners; dust filters.

Cl.12. Vehicles for the mining, rock excavation, mineral exploration and construction industry, namely, vehicles with loading function, trucks, transport vehicles, and vehicles carrying machinery used to drill a wellbore; forklift trucks; trailers; trucks; vans; gearboxes; parts, fittings and components for the aforesaid.

Cl.17. Flexible hoses, not of metal; rubber seals; rubber rings; seals of metal for preventing leakage of gases and fluids; non-metallic caps for rigid tubes; semi-finished resins for building, construction, structural and civil engineering, mining, tunnelling, earthmoving, rock stabilization and soil stabilization.

Cl.19. Vapor deposited non-metal coatings [building and construction materials]; building and construction materials (not of metal); structural materials (not of metal) for construction purposes related to civil engineering, mining, tunnelling, earthmoving, rock stabilization and soil stabilization; sliding mouldings and climbing structures and reinforcing materials of wood; reinforcing elements of fibre composites for concrete; building and construction structures of fibre composites for earth and rock anchors; building and construction materials and elements, not of metal, for the construction and mining industries; cladding tubes of plastic; settable and anti-corrosive materials for injection into construction elements, namely mortars with an artificial resin and/or cement base; non-metallic roof trusses; non-metallic ceiling trusses; non-metallic reinforcing bars; non-metallic reinforcement materials, non-metallic panels and walls, burlap panels and walls for building, building mouldings, not of metal, non-metallic building materials in the form of grids and meshes, polymer building materials in the form of grids, non-metallic materials in the form of wires and fibres for building and construction; non-metal building materials for use in structural and civil engineering, mining, tunnelling, earthmoving, rock stabilization and soil stabilization; non-metallic building panels, non-metallic plates, non-metallic support plates, non-metallic fire-resistant panels, non-metallic girders, non-metallic lattice girders, non-metallic rigid pipes, finished plasters made of artificial resin for building, construction, structural and civil engineering, mining, tunnelling, earthmoving, rock stabilization and soil stabilization; non-metallic drainage pipes; roof, ceiling and wall supports of concrete; non-metallic pillars; grout; grouting compounds; cement; cementitious compounds; concrete; mortar; clay; non-metallic ventilating ducts; non-metallic cable channels (non-electric); non-metallic beams; wood beams; non-metallic posts; non-metallic portable buildings; geotextiles; grouting cartridges containing synthetic resins for use in building and construction; cement cartridges for use in building construction; support and stabilization grids and meshes for use within mining and tunneling operations, namely non-metallic grids and meshes (not for building purposes); support and stabilization grids and meshes being geotextiles for use within mining and tunneling operations, namely polymer geotextile.

Cl.20. Non-metallic bolts; non-metallic anchor bolts; non-metallic expansion bolts; fiberglass bolts; non-metallic expansion shells; non-metallic dowels; fiberglass dowels; non-metallic nuts, in particular threaded nuts and support nuts; non-metallic washers; non-metallic shell plugs for resin installation; non-metallic anchors, in particular polyester anchors; non-metallic bar anchors; non-metallic anchoring devices; non-metallic sleeves for anchoring devices; non-metallic caps for anchoring devices; non-metallic screws, in particular set screws; non-metallic hooks; non-metallic pins [pegs]; non-metallic cable clips; plastic caps for cable grips; non-metallic drive-heads for cable bolts; non-metallic wedge anchors for bolts and cables; wire, hose and pipe hangers (not of metal); non-metallic hangers for grids, meshes and non-electric screens; non-metallic mounting brackets; non-metallic ladders; non-metallic moveable steps; valves of plastic, other than machine parts; non-return valves of plastic (other than parts of machines); screws, not of metal; non-metallic poles; non-metallic fasteners; non-metallic shims; plastic clips; non-metallic nails; non-metallic holders for cables and cable bolts; anchoring elements, namely anchoring bolts of plastic and resin anchors.

Cl.35. Provision of wholesale and retail services, including such services being provided online, related to products used the materials technology, mining, construction and rock technology and metal working industries; online retail services, namely, the provision and operation of an online marketplace for

buyers and sellers of products for use within the mining, construction, rock excavation, rock processing, materials technology and metal working industries; business management consultancy and advisory services; inventory control; database management; updating and maintenance of data in computer databases; commercial and industrial management assistance; advisory services for business management; business management and organization consultancy; provision of commercial and business support services relating to the sale of products for use within the mining, construction, rock excavation, rock processing, materials technology and metal working industries; provision of e-commerce services for products for use within the mining, construction, rock excavation, rock processing, materials technology and metal working industries, namely, the provision and operation of an online marketplace for buyers and sellers of the aforesaid products; e-commerce services, being business management services relating to e-commerce in the aforementioned industries; online ordering services; sales administration; provision of customer support services and information related to products for use within the mining, construction, rock excavation, rock processing, materials technology and metal working industries; information, advisory and consultancy services relating to the aforesaid services; provision of an online marketplace for buyers and sellers of downloadable digital collectibles authenticated by non-fungible tokens (NFTs); retail store services featuring virtual goods, namely, metalworking machine tools and inserts, metalworking machines, inventory management machines, industrial robots, electronic controls, calculating devices, computers, measurement machinery and publications for use in online virtual worlds; retail store services featuring virtual goods, namely, drill rigs, underground drill rigs, bolters, electric battery vehicles, underground loaders, underground trucks, mechanical cutting equipment, rock tools, rock drills, mining automation products, mining tools and equipment, tunneling tools and equipment for use in online virtual worlds; retail store services featuring virtual goods, namely parts and accessories to mining machines and tools, parts and accessories to construction machines and tools, crushers, screeners, breakers, demolition tools, breaker booms, buckets, attachments to crushers, attachments to screeners, compactor plates and artwork for use in online virtual worlds.

Cl.36. Financial services; insurance and financial information and consultancy services; insurance services, namely, underwriting extended warranty contracts; financing, lending and loan services; credit, lending and loan services; insurance services; information, advisory and consultancy services relating to the aforesaid services; issuance of tokens of value; currency exchange services; currency trading; electronic banking via a global computer network; electronic funds transfer.

Cl.37. Repair, maintenance, assembly and installation services in the field of materials technology, mining, construction, rock processing and metal working industries; rebuild, refurbishment, upgrade services of products within the materials technology, mining, construction and rock technology and metal working industries; rental and leasing of materials technology machines, apparatus and equipment; rental and leasing of machines, apparatus and equipment for use in the field of materials technology; rental and leasing of mining machines, apparatus and equipment; rental and leasing of construction equipment; rental and leasing of rock technology machines, apparatus and equipment; rental and leasing of machines, apparatus and equipment for use in the field of rock technology; rental and leasing of metal working machines, apparatus and equipment; rental and leasing of machines, apparatus and equipment for use in the field of metal working; rental of drilling equipment for rock drilling operations in mining operations and civil construction works; rental of pumping equipment; leasing of compressors for mining, rock excavation, mining extraction of minerals, drilling and construction purposes; drilling services, namely leasing of drilling equipment and tools; installation, maintenance, building, repair, servicing and maintenance of machine tools, machinery, vehicles and equipment for mining, rock excavation, mining extraction of minerals, drilling and construction purposes; rental of machines, machine tools and equipment for mining, rock excavation, mining extraction of minerals, drilling and construction purposes; rental of excavators, bulldozers and earth moving machines; rental of compressors for mining, rock excavation, mining extraction of minerals, drilling and construction purposes; mining, rock excavation, drilling and construction services; repair of tools; operational support services, namely, installation, changing, replacement and repair of mining and rock excavation equipment and apparatus for improved performance and results; information, advisory and consultancy services relating to the aforesaid services.

Cl.42. Scientific and technological services and research and design relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computer hardware and software; scientific and technological services, namely, research and design in the field of tools and tooling systems for industrial metal cutting, equipment and tools, service and technical solutions for the mining and construction industries, advanced stainless steels and special alloys as well as products for industrial heating; industrial research in the field of tools and tooling systems for industrial metal cutting; computer hardware and software design; computer software development; testing, analysis, and evaluation of the goods of others to assure compliance with industry standards; consulting services in the field of design and development of engineering processes; consumer product safety testing consultation; measurement services; remote monitoring services; chemical research and analysis; software as a service (SaaS) and platform as a service (PaaS) services featuring computer software platforms for a tool library; operational support services, namely, research, analysis and configuration of computer hardware and software systems for use in mining and rock excavation equipment and apparatus for improved performance and results; services for monitoring industrial processes; consulting services in the field of cloud computing; custom design of power-operated automation equipment; technological consulting services, namely, providing services related to geometrical inspection, measurement, and analysis of industrial, medical, and aerospace components parts and components; technological consulting services in the field of construction drilling, including technical consultancy relating to drilling tool selection, drilling procedure analysis, engineering analysis, and project feasibility analysis and planning; hosting services; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the steering and control of vehicles and crafts; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the calculation of data for machine tools and mine automation systems; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to storage and calculation of temperature, strain and vibration information; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the measurement of temperature, controlling temperature performance and working capacity of tube systems; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to production planning of the manufacture of industrial products; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the controlling of cutting machines; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the planning, tracking and controlling of manufacturing facility operations; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the nesting and programming of cnc cutting machines; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the provision of engineering design and engineering drafting services; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the machine tool industry; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the controlling of power-operated automation equipment; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the controlling of instruments for use in geometrical inspection of industrial components, medical devices, and aerospace applications; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the measurement, inspection, analysis and recording of three-dimensional shapes; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the design of drill bits, modeling, simulation, testing and analysis of drill bit and rock drilling tool performance, recordation and reporting of data and drilling variables, and selection and performance of drill bits, rock drilling tools and equipment; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to early hazard detection, proximity detection and collision avoidance, worker safety, and evacuation and rescue in mining operations; providing on-line

non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to the monitoring of production, drilling, and hauling, overall equipment effectiveness and utilization and haulage efficiency in mining operations; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to 3D scanning, monitoring, and reporting and optimizing rock material flow and use of equipment fleet in mines and other rock excavation sites; providing on-line non-downloadable software, software as a service (SaaS) and platform as a service (PaaS) services provided in relation to products for use within the materials technology, mining, construction and rock technology and metal working industries; application service provider [ASP] and software as a service (SaaS); updating of computer software for others; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; performance monitoring services in the field of materials technology, mining, construction, rock processing and metal working industries; information, advisory and consultancy services relating to the aforesaid services; providing temporary use of non-downloadable software featuring digital works of art and digital tokens authenticated by non-fungible tokens [NFTs]; blockchain as a service [BaaS] for creating and managing non-fungible tokens [NFTs] in the form of collectible items; software as a service featuring virtual products and marketplaces; custom engineering services of products within the materials technology, mining, construction and rock technology and metal working industries.

Cl.45. Licensing; licensing of wireless communication systems; licensing of intellectual property; licensing of computer software; licensing of databases; licensing of technology.

Cl.09. Apparatus, instruments and devices for electric control, remote control, signaling, calling, monitoring, remote monitoring, access control, detection, alarm; Apparatus and instruments for supplying electric current, conducting, transmitting, switching, distributing, transforming, accumulating, regulating or controlling electricity; electrical installation equipment; parts and components of electric installation appliances, namely, mechanisms, boxes, housings, support brackets, clasps, fixing lugs, bases, mounting frames, surface-mounted frames, adapters, adapter frames, plates, base plates, counterplates, top plates, floor top plates, hub plates, trim plates, enclosure boxes, cover caps, flaps, covers, lid hinges, trims, label holders, control keys and control levers; mechanisms for electrical installation apparatus and electrical control apparatus; modular electrical equipment for installations; apparatus for measuring electric current; electric grid supervision apparatus; electric grid analysis apparatus; transducers; breakers (circuit breakers); power circuit breakers; medium voltage circuit breakers; differential blocks for circuit breakers; circuit breakers for motors; circuit breakers for electric motors; modular circuit breakers; controls for circuit breakers; control and signal gear for circuit breakers; undervoltage, overvoltage or delayed undervoltage releases for circuit breakers; load-break switches; power stabilizers; relays; differential relays; overload relays; protection relays; connected relays; residual current relays; decoupling relays; relays for group security devices; time delay relays; dusk-to-dawn relays; remote control relays; earthing apparatus; earthing connections; earthing collars; splitters; distribution boards; modular row distributors; distribution panels; circuit breakers; circuit breaker mechanisms; electric power cut-off mechanisms; casings for emergency shutoff or emergency stop; fuse cartridges; industrial cartridges (electricity); combined cartridge units; fused connection units; load controllers; counters; ammeters; voltmeters; transformers; auto-transformers; electric installation appliance units; modular blocks (electricity); modular units and modular mechanisms for managing home automation functions; electric control boxes; detectors and sensors for the automatic control of home or building automation functions; solar cells; modular electric power support rails and connectors and adapters for said rails; installation stands for electrical equipment; branch boxes (electricity); connectors; coaxial connectors; connectors for tertiary furniture; connector cords; connectors for copper bars; data rails; connectors between installation bus cables and modular data rail boards; distribution studs; distribution grids; terminals (electricity); branch grids; terminal strips; cutout strips; terminal blocks; drawers for optical fibers; power supplies (electricity); modular power supplies; emergency power supplies; emergency power supply casings; power supply apparatus for programmable automats; power supply terminals for campsites; soft starters for asynchronous motors; electric couplings; electric junction boxes; feed combs; connecting combs; distribution combs; distribution terminal blocks and holders therefor; filler plates (electricity); terminal shields and holders therefor; terminal cover casings; lightning conductors; dimmers; dimmer switches; light dimmers; voltage regulators; power regulators; speed regulators (electricity); limit regulators/switches; voltage regulators; voltage surge protectors; electronic speed regulating apparatus; electronic pressure regulating apparatus; power units; potentiometers; timers for electric installations; cutoff early warning apparatus coupled with a timer; telerupters; auxiliaries for remote switches; contactors; power contactors; contactors for off-peak or other applicable electricity tariffs; auxiliaries for contactors; uninterruptible electrical power sources; uninterruptible electric batteries; Electric cells, batteries and accumulators; battery boxes;

accumulator cassettes; capacitors; electrical ballasts and their monitors; compensators (electricity); repeaters; electric distribution compensation panels; chargers; wireless chargers; USB chargers; charging stations for electric vehicles; electric sockets, posts and cables for recharging points for electric vehicles; mounted and pre-wired electric boards for photovoltaic installations; waterproof electric casings for photovoltaic installations; inverters for photovoltaic installations; electronic apparatus providing hotel guest services, namely, management of lighting, heating, communication with the hotel reception; sockets for hotel room management systems; multi-app modular controller for hotel room management; electrical equipment for heating control and energy management; energy management apparatus, especially for electric heating; heating programmers; apparatus and instruments for measuring and/or regulating temperature; thermostats; room thermostats; programmable thermostats; probes for thermostats; apparatus for controlling temperature [thermostats]; smart temperature control apparatus [thermostats]; wireless temperature control apparatus [thermostats]; smart thermostatic valves; smart thermostats; smart electric apparatus for optimizing energy consumption; smart thermostatic valves enabling the remote control of heating; decorative covers for thermostats; electric control devices for ventilating installations; wireless weather stations; couplers [data processing equipment]; phase couplers; modular couplers; bus couplers; modular transmitters and receivers, in particular for remote control; interfaces for remote control apparatus and installations; filters (electricity); input filters, in particular for remote control apparatus and installations; socket insulator filters; programming units; programmers for household appliances; cooker control devices; household programmers; power distribution unit; power distribution unit accessories, namely, connecting cable and extension cable; energy distribution unit management software; switched-mode power distribution units; metered power distribution units; smart electric distribution units; remote controlled power distribution units; distribution cabinets, casings, desk consoles and boards (electricity); medium voltage electric boards; electric push button panels; modular casings (electricity); terminal casing covers (electricity); casings for weak-current and signals; subscriber branch boxes (electricity); subscriber panels (electricity); bearing plates for circuit breakers and/or subscriber meters; casings prefitted with bearing plates for subscriber connection; casings prefitted with a fuse circuit breaker; casings prefitted with trip switches; sheaths for weak-current; sheaths for electric cables; accessories for electric distribution boards, namely, flat bar mounts, flat bars, additional brass bars, divisible cable entry points, cable entry knock-out plates, security locks; parts and component parts for casings, cupboards, bays, electric boards, namely, flush-mounted boxes and trays, fitting templates, chassis, doors, bases, bearing plates, end pieces, plates, gland plates, base plates, separator plates, side panels, cover caps, covers, enclosures for base plates, blanking plates, faceplates, riser pads, riser covers, trunking, rails, bars, cross members, uprights, finishing frames, finishing cones, terminal blocks, terminal block support brackets, terminal covers, modular elements for casings, power supply units, splitters, sockets, switches, connectors, cable sheathings, cable gland plates, wire saddles, fastening parts; pairing spacers for the aforesaid casings; cable gland hoops; electric conductors, including wires, cables, rails and buses; extension cables and cords; connected busbars; reels for electric cables; electric cable sheathing for equippable cabinets; electric cable ducts; ladders for electric cables; trunking, moldings, skirting trunking and columns for conductors and/or electrical equipment; cable guides for electric conductors; cable trays for electric conductors; ducts [electricity]; technical distribution slabs (electricity); cable glands (electricity); electric feedthroughs; cable ferrules; strain-relief cable glands; markers for electric conductors; sleeves for markers for electric conductors; label holders for markers for electric conductors; collars for electric conductors and equipment; terminal blocks; control modules; diode modules; electric control, remote control, radio control, infrared control apparatus, devices and installations, in particular for heating, watering, air conditioning, ventilation, alarm apparatus, roller shutters, blinds, projection screens, televisions, doors, door phones, locks, presence simulation and, in general, all electrically operated apparatus; electric control and management appliances for lighting; electric controls for lighting; ambient lighting management apparatus; apparatus for controlling heating and other functions by telephone; electric roller shutter controls; electric controls for blinds; wind and/or sun sensor sets for apparatus for controlling roller shutters or blinds; remote controls; radio remote controls; remote control casings; auxiliary remote control apparatus; portable remote controls; infrared remote controls; electric or radio bus control units; infrared controllers; transmitters and receivers (remote control); infrared transmitters and receivers; antennas; single-function or multi-function electric control units; electro-mechanical interfaces for

control apparatus; switches; electronic switches; push switches; differential switches; time switches; time delay switches; dusk-to-dawn switches; free-release switches; switch disconnectors; fused switch disconnectors; electric current switches; switches with pilots; light switches; light bulbs for light switches; switch-receivers; power switches; key switches and push buttons; key, badge or card switches (including for hotel rooms); switches with a lock; switches for roller shutters; remote controlled switches; connected switches; decorative switch plate covers; source inverters; changeover switches; commutators; medium voltage electric switching apparatus; electric push buttons; label holder push buttons (electricity); push-buttons (electricity); coded keypad control apparatus, including switches and push buttons; electronic two-way switching devices; electronic double two-way switching devices; electronic two-way switching devices and illuminated push buttons; push buttons and turning buttons for electric control and signaling; emergency "punch" cut-off buttons; auxiliary contacts; wire outlets; cable outlets; indicators (electricity); electric indicator lights; indicator lights (signaling) and diffusers for these; beacon lights; label holders (signaling); plugs and sockets (electricity); jack sockets and plugs; RJ45 sockets and plugs; HD15 sockets and plugs; plugs (connectors); plugs and sockets; connected sockets; electric sockets with USB socket; combined TV and telephone sockets; data sockets; frames and holders for electric sockets; electric tap boxes for construction sites; socket end seals; television plugs and sockets; plugs and sockets for video; plugs and sockets for radios; telephone plugs and sockets; loudspeaker input and output connectors; microphone plugs and sockets; computer plugs and sockets; multimedia plugs and sockets; communication plugs and sockets; computer connectors; connector units; connection strips; distribution strips; plugs and sockets for satellite reception and/or communication; plugs and sockets for cable network reception and/or communication; plugs and sockets for receiving frequency modulation; plugs and sockets for connectors; locks for connectors; connector covers; connector sockets; plugs and sockets for optical fibres; optical fiber connectors; optical patch jumper cable; plugs and sockets for signaling, calling and/or alarm apparatus; plugs and sockets for electric control apparatus; central vacuum electric sockets; lightning rod sockets; multi-outlet power strips; industrial plugs and sockets; industrial socket casings; connector sockets; plug-in connectors; attenuators; adapters (electricity); electric plug adaptors for travel; electric converters; patch panels (electric connections); patch cords; electric installation appliance units; flush boxes (electricity); boxes for connecting lighting fixtures such as boxes for sconces or for center points; electric conductors, especially cables, wires, cords, rails and buses; multiplexed electric wiring harnesses; installation and/or distribution profiles for electric conductors and/or apparatus; stand-alone signal units; stand-alone beacon units; apparatus for controlling stand-alone security lighting units and centralizing information from such units; repeaters for remote control of security lighting apparatus; interfaces, connector devices, function cards and auxiliary modules, all for signaling installations and apparatus; casings, cabinets, desk consoles, console cabinets, bays, housings, trays, cassettes and drawers, all specially adapted for holding electric, electronic, optoelectronic and/or computer apparatus or equipment, and/or optical fibers, whether or not prefitted, for surface mounting or flush mounting; distribution, connection and/or cabling equipment for casings and cabinets (electricity); distribution equipment for modular electric apparatus; patch panels, casings, bays and cabinets for voice-data-image (VDI) applications; patch panels for data centers; smart patch panels; optical fiber patch panels; high-density optical fiber patch panels; remote control apparatus for home or building automation functions, especially via power lines, radio, telephone; remote control apparatus for electric sockets; programming interfaces for electric apparatus; servers for home automation and/or building automation applications, which receive and transmit remote control orders; modems for connecting the aforesaid servers to telecommunications and/or computer networks; alarm apparatus and instruments; modular alarm apparatus; modular apparatus for technical alarms; central units for the management of signaling and/or alarm apparatus; alarm stations; fire safety stations; home automation stations; fire alarm control units; smoke extraction fan controls; sound monitoring apparatus, especially for children's rooms; call boards; electric sound, call and/or alarm signaling apparatus and appliances, including for doors and entrance gates; bell and/or call buttons; bells and chimes (warning, signaling and/or alarm apparatus), including for doors and entrance gates; electric doorbells; transformers [electricity] for ring tones; wireless electronic doorbells; door entry systems; plates for door entry systems; smart door entry systems; access control devices; warning signals for electric networks; warning lights; acoustic [sound] alarms; horns; anti-theft alarms (other than for vehicles); fire alarms; electric warning bells; industrial warning devices; buzzers; sirens;

siren casings; sound diffusers for emergency evacuation; luminous signals (signs); rotating lights (signs); flashing lights; strobe lights; flashing and audible lights; holders for the aforesaid lights; signal beacons; intrusion alarm apparatus, especially wired or radio; telephone transmitters and electromechanical relay interfaces (apparatus) therefor; video surveillance systems; indoor cameras for video surveillance systems; outdoor cameras for video surveillance systems; anti-theft alarms; video surveillance systems; video telephones; plates for viewphones; cameras for viewphones; webcams; intercommunication apparatus; intercom plates; intercommunication apparatus, cameras and intercoms for alarm systems; computer hardware and software intended for use in video surveillance; electronic anti-theft device; electric locks; smart locks; apparatus for recording, reproducing, issuing, transmitting, broadcasting, receiving sound and/or images, including: loudspeakers, cabinets for loudspeakers, sound bars, pre-amplifiers, amplifiers, microphones, call microphones, selectors for sound volume adjustment, sound volume attenuators; preset radio station selectors; public address apparatus; music players; electric devices to suppress noise interference; sound and/or image and/or data and/or computer program magnetic, optical, electronic and/or digital recording media; television and/or radio receiving stations, via hertzian wave and/or via satellite; amplifiers for hertzian and/or satellite signals; switches for hertzian and/or satellite signal receivers; electronic switches for video signals; couplers for hertzian and/or satellite signal meetings; hertzian and/or satellite signal distributors; VDI (voice-data-image) distributors; multi-port ethernet repeaters; computer software used for recording, transmitting, displaying or projecting sound, images; projectors; film projectors; overhead projectors; electronic touch screens; screens for photographic, computer or cinematographic projection use; handheld screens as well as related parts and accessories; video screen fabric; pods for cinematographic cameras or projectors; control device for projection screens; locking system for projection screens; fabric coating providing a concealed border around the viewing area of a projection screen; light-absorbing fabric coating sold as a component of video projection screens; support brackets for loudspeakers, supports for audio and video equipment and wall mounts for audio and video equipment; supports adapted for laptops; support brackets for computer hardware; stands for tablet computers; support brackets for computer screens; LCD support frame; television; television antennas; plugs and cables for use with audio and video equipment; multimedia apparatus for receiving, recording, transmitting, amplifying sound; analog apparatus for receiving, recording, transmitting, amplifying sound; digital apparatus for receiving, recording, transmitting, amplifying sound; computer cabinets; liquid crystal displays (LCD screens); adjustable mounting systems, namely, mounting brackets, support brackets, tables and trolleys adapted for liquid crystal displays, plasma displays, cathode ray tube displays, projectors, video cameras; stereoscopic apparatus; thin film transistor liquid crystal display (TFT-LCD) panel; racks for amplifiers; video conferencing apparatus; video and audiovisual system controllers; video and audiovisual systems comprised of electric controllers and computers which provide automated movement tracking which tracks a moving presenter; IP cameras for video capture; thermal imaging cameras; camcorders; video intercoms, audio intercoms; software for videosurveillance cameras; video surveillance cameras; application software for mobile electronic apparatus for displaying videos on mobile apparatus; camera covers, camera housings, camera lenses; control panels for videosurveillance cameras; ground visual display units; video encoders, television decoders, camera servers, motion controllers for cameras, optical motion detectors and trackers for cameras during meetings or presentations; video and audiovisual system controllers, namely, controllers which turn on/off, select audio/video sources or indirectly operate such video cameras, electronic switches, systems, components, cables and peripherals; digital voice signal processor; software for designing, selecting or ordering audio and video equipment accessories, namely, accessories for projectors and flat screens; software for generating or modifying a list of parts for audio and video equipment accessories; audio equipment for cars; fire alarm management apparatus; detectors; infrared detectors; infrared receivers; interfaces between transmitters and receivers; magnetic opening detectors, in particular for garage doors; presence detectors; motion sensors; passage detectors; intruder detectors; proximity sensors; radio frequency detectors; fire and smoke detectors; stand-alone releasing detectors; gas detectors; flood detectors; temperature increase detectors; glass breakage detectors; pre-signal detectors; electro-mechanical interfaces for detectors; photoelectric cells; electric contacts, especially for doors and gates; electromagnetic suction closures and actuators for fire doors and escape routes; control casings for emergency exits and fire extinguishing systems; electric or electronic striking plates, locks and closures and controls and remote controls

therefor, including with keyboard; encoded keypad controls for access control; coded keypads for buildings; prehung door units for electric locking of emergency exits; door closing selectors; cases and readers for access control apparatus; autonomous access control readers and electronic keys therefor; magnetic and/or electronic and/or optical and/or digital keys, cards and badges, especially for access control; badge holders for the aforesaid badges; access control apparatus, namely, identification badge readers; programming keys for electronic keys; building and villa door phones; intercommunication apparatus; video telephones; interphone and telephone exchanges and apparatus; interphone and telephone handsets; electric installation appliances enabling control and management, in particular centralized and programmable, on-site or remote, in particular from a computer or a mobile phone, home automation and/or building automation functions and applications, including the control and management of electric and electronic circuits, lighting, heating, air conditioning, ventilation, automatic sprinkler, shutters, blinds, sunroofs, door phones, breakdown, leak or defect, temperature and fluid consumption level management, control and management of security, alarm, fire detection, lightning protection, surveillance, access control, intruder defense, recording and/or disseminating sound and/or images, intercoms, telephones, televisions, telecommunications and/or computer systems; home automation systems; home automation apparatus; bus interfaces for home automation systems; apparatus for programming and controlling home automation systems; electric opening and closure control apparatus; electric apparatus for controlling opening and closure by powerline communication or radio frequency; apparatus for centralizing electric controls; connection modules for smart apparatus; connection modules for electric controls; interface for controlling electric apparatus; communication gateways (electric apparatus); apparatus, devices and instruments for technical teaching and training in electricity and electronics as well as with respect to the assembly, installation, use and maintenance of electric appliances and installations, including: educational cabled panels, coated with electric circuits, equipment and/or appliances, synoptic boards, simulation apparatus and installations; sets of component parts of electric or electronic apparatus or appliances ready for mounting, for technical teaching and training purposes; teaching, instructional and training software, in particular in the nature of recorded databases, all in the field of electric installation appliances; software to assist in the design and roll out of electric installations, assistance in determining the nature, quality, characteristics and quantities of appliances and materials required for such purposes as well as normative and compliance standards applicable to the same, assistance in drawing up descriptions of the aforesaid appliances and materials, deciphering and reupdating corresponding quotes, ordering the above-mentioned appliances and materials, invoicing, cost-price visualization, sales support, construction site monitoring;
